

Dear Sir or Madam,

The Athletic Department of New Creation Center Independent Study (NCC) is in its sixth year of providing the home schooling community with the opportunity to participate in competitive sports programs throughout the school year. NCC was founded on Christian principles: to promote teamwork, instill pride, and build confidence by teaching our children the basic principles of good sportsmanship through various sports programs. To provide quality programs, we need financial help for furthering the development of these young people. We solicit your consideration of this endeavor.

As a member of the ICSGA and the Georgia Football League in Metro Atlanta, we offer many Junior Varsity and Varsity level sports. Our Booster Club families are currently selling program advertisement and outdoor signs to help underwrite our athletic program.

Your program and/or outdoor advertising will reach over 200 families in the Henry County area in addition to multiple families within a ten county radius at each of our home games.

NCC is a non-profit corporation exempt from federal income tax under section 501(C)(3) of the Internal Revenue Service Code. If you would like to make a contribution, it is tax deductible under Section 170 of the code.

NCC admits students of any race, color, nationality and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at NCC.

NCC does not discriminate on the basis of race in administration of its educational or admission policies; scholarships and loan programs; athletics department and other NCC-administered programs.

Please consider advertising with us and help us have a great football season!
