

# Georgia Football League Player's Code of Conduct

\*Agreement must be signed in conjunction with registration\*

I understand and agree that my education is my first and foremost responsibility and that I must meet the expectations of my school, my parents and myself. Players interested in being recruited to play college football should become aware of the NCAA eligibility requirements as soon as possible in order to comply with those requirements.

I will play any position assigned to me and will do my very best for my team at all times.

I will play the game hard and cleanly at all times, in a true sportsmanship-like manner with never any intent to harm an opposing player.

I will participate in a moment of prayer before practice and games with my coaches and teammates.

I will treat my coaches, teammates, parents, teachers, guardians and other individuals I may come in contact with, with respect at all times, on or off of the playing field.

I will do whatever my coaches ask me to do to the best of my abilities, at all times.

I will refrain from the use of drugs, alcohol and tobacco, on or off of the playing field and understand that any violation of this agreement can and will result in suspension from the Georgia Football League.

I understand that football is a team sport and that my attendance is required at all practices, games and social gatherings. I will make the commitment to my coaches and teammates to be in attendance and to notify my coach if, for any reason, I am unable to attend any scheduled event.

I will not, in any way, damage or deface any property, buildings or equipment.

I will abide by the decisions of the game officials and will not create any unsportsmanlike behavior or gestures.

I will act as a gentleman at all times and refrain from any foul or questionable language.

I will inform my coach of any injuries I may sustain, on or off of the football field.
